### Service Charge and Tax

A service charge of 23% of your total food and beverage charges will be added to your bill. A portion of the service charge will be distributed to the banquet service staff and a portion will be kept by the hotel to cover overhead costs such as logistics planning, administration, recycling, trash removal, transportation and liability coverage. The service charge is not a tip or gratuity for any employee and is not the property of the employee(s) providing service to you. Any applicable taxes will be added to your bill. Eight percent (8%) of the total food and beverage charges will be added to the total bill as an Event Fee which is used to offset the cost associated with the set-up and clean-up of a function and is subject to all applicable sales taxes. These fees are not a gratuity or service charge and will not be distributed to members of the service staff.
